

In the beginning GOD

In the beginning of space
of time
of the universe, GOD

In the beginning of creation
of life
of mankind, GOD

In the beginning of individuals
of personalities
of me, GOD

In the beginning of this week
of this day
of this hour, GOD

In the beginning of each thought
of each word
of each deed, GOD

As he was in the beginning, he is now and shall be forever, GOD,
Amen.
